DEDICATION

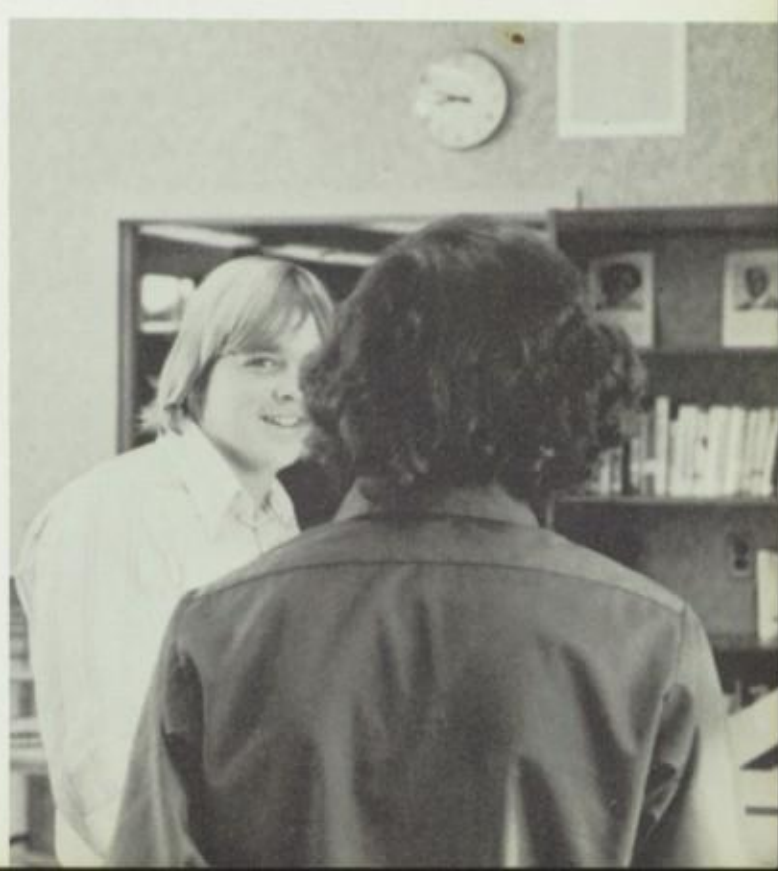

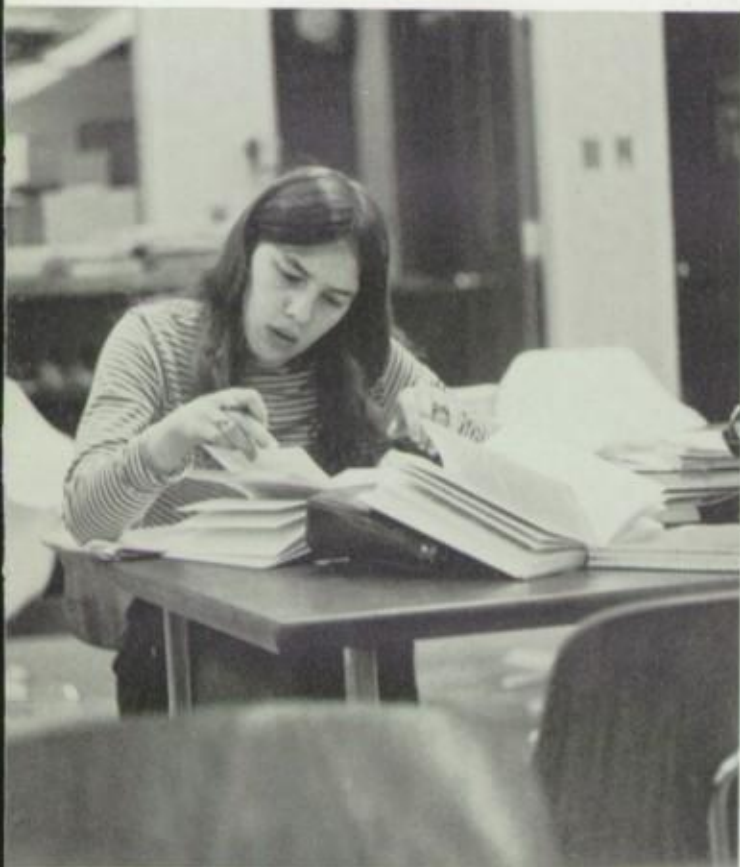

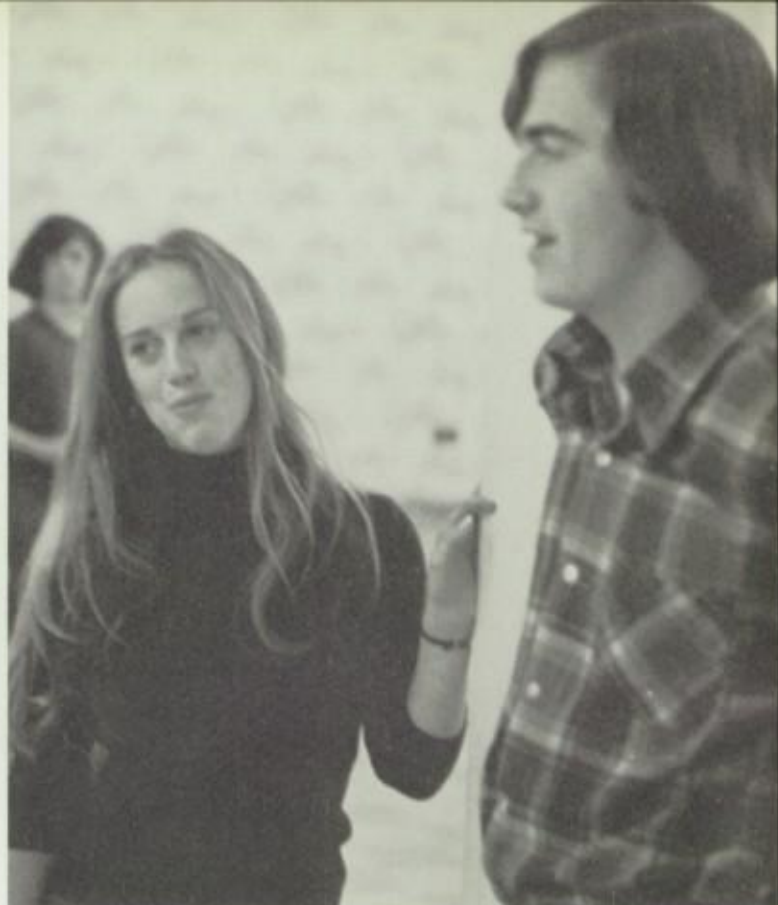

Mrs. Agnes Blake

We the Class of 1974 dedicate our yearbook to Mrs. Agnes Blake. Her warmth, understanding and compassion for students has earned her the respect of all. Her dedication to her duties at school despite sometimes insurmountable odds, has endeared her to all staff members and administration. Our everlasting appreciation to Timberlane's "great lady."

There was a child went forth every day
And the first object he look'd upon, that object he became

ADMINISTRATION

Robert Burke
Principal

"It has been a pleasure for me to serve as your principal during your high school years. Many of you have contributed a great deal to Timberlane and have, therefore, received much in return. The adage that goes: "You receive in direct proportion to what you give" is probably more meaningful now than ever.

I sincerely hope that I have been of some help to each one of you as I am sure that your association with me has in some way enriched my life. May success follow you in future endeavors and if you ever need the help of "Timberlane" do not hesitate to contact us and we will do what we can to be of service to you."
